

## Israel's Proclamation of Independence

**WE APPEAL** in the very midst of the onslaught launched against us now for months to the Arab inhabitants of the State of Israel to preserve peace and participate in the up building of the State on the basis of full and equal citizenship and due representation in all its provisional and permanent institutions.

**WE EXTEND** our hand to all neighboring states and their peoples in an offer of peace and good neighborliness... The State of Israel is prepared to do its share in a common effort for the advancement of the entire Middle East.
