

# WHEREVER WE STAND, WE STAND WITH ISRAEL

Show your solidarity for Israel by joining thousands of college students across North America in purchasing an ambulance for Magen David Adom.\*

\*Magen David Adom offers auxiliary service to Israel's Army Medical Corps in wartime, including giving emergency medical care for the wounded and war refugees. MDA provides civilian emergency medical and first-aid services and temporary shelter in emergency situations. In addition, the organization maintains a blood bank for civilian use.

From Monday, April 15 through Monday, May 10, Hillels will be raising money to buy ambulances. There are more than 200,000 Jewish college students in North America today. We encourage you to set a goal for your campus as high as the number of Jewish students on your campus.

For updated information on the campaign, please visit [www.hillel.org](http://www.hillel.org)
